YOUR GUIDE TO *donating*

These are the things we
need most often to
ensure our shelter pets' &
pets in the community's
needs are met!

More than 6,000 animals come
through our doors every year
and we are able to house about
240 animals at any given time.
Having necessary supplies on
hand is critical to ensuring that
we are able to care for them!

This program helps keep pets
in Douglas County from going
hungry and allows them to
stay with their loving owners
rather than being surrendered.
We also provide necessary pet
supplies like collars, leashes, &
kennels to those who may not
be able to afford them.
